### VET Learner and Staff Mobility (KA102)

This action supports mobility of learners and staff in vocational education and training. Learners, apprentices and recent graduates can receive funding for a mobility period of up to one year at a VET provider or in a company abroad. VET staff can take part in job shadowing and teaching assignments in another country and staff from enterprises may visit a VET provider to teach or provide training.

Application deadline (dd-mm-yyyy)  
November - Brussels, Belgium Time: 05-03-2019 12:00:00

### VET Learner and Staff Mobility with VET Charter (KA116)

This application form allows VET Charter Holders to apply for mobility of learners and staff in Vocational Education and Training in a simplified way.

Application deadline (dd-mm-yyyy)  
November - Brussels, Belgium Time: 05-03-2019 12:00:00

## Activity Details (C1)

A tartalmi részletek mellett a résztvevői adatok alapján számolja az űrlap a támogatást.

In this section, you are asked to provide details about this specific activity.

The section consists of two parts: Activity Details and Groups of Participants.

In the first part (Activity Details) you are asked to provide information about the planned activity as a whole (e.g. its venue, duration, etc.), to define the activity's lead organisation, and to list the other participating organisations. The lead organisation is typically the one hosting the activity in its premises. In case you decide to organize the activity outside of the lead organisation's premises, you must respect the detailed rules provided in the Programme Guide and you need to provide an explanation for this choice as part of the activity description. The other participating organisations are all project partners who will send their participants to take part in the activity. Adding a partner organisation to the list of participating organisations will allow you to ask funding for their participants in the second part of this section.

In the second part (Groups of Participants) you are asked to provide some details about the participants who will take part in this activity. The main purpose of this section is to calculate the budget that the project will receive for the participants' travel, individual support and other expenses. The participants are organized in groups for easier calculation. Each group and its budget are linked to their sending organisation.

### Individual Support

To calculate a Individual Support rate the applicant organisation and the activity section need to be completed and valid.

A beépített mobilitásoknál új típus is lehetséges a 2019-es évben: a tanulói csoportok rövid távú cseréje.

- **CSAK iskolai partnerek között lehetséges** (3-nap – 2 hónap, kísérő tanárral!)

- ha integráns része tud lenni a projektnek – éppúgy, mint a vegyes típusú mobilitás (blended mobility ....) vagy minden beépített mobilitás: **NEM ÖNCÉL!**

### Groups of Participants

In the following table, please define the groups of participants who will require funding to participate in this activity. Participants who do not require funding (for example local participants) do not need to be specified in this part.

## Timetable

Note that Transnational Project Meetings, Intellectual Outputs, Multiplier Events and Learning, Teaching and Training activities will be listed in this table automatically once you have created them in the dedicated section of the form.

ID	Activity Type	Starting Period	Description
1	Transnational Projects Meeting	09-2019	08 ugyous
2	SP-VET-SHORT Short-term joint staff training events	09-2019	000 idc
3	Intellectual Output	09-2019	yshn

Az űrlap az űtmezeten beírt tevékenységekhez, eredményekhez generál egy űtemtervet. Ahová nem írnak dátumot, oda a projekt kezdő időpontját írja! Idén nincs további kötelező 'timeline' melléklet. JAVASLAT: A jó minőségű pályázat elengedhetetlen feltétele, hogy tartalmazzon egy kellően részletes munkatervet a projekt futamidejére! Ennek nincs kötött formája bármilyen Excel-munkalap, vagy más formátum alkalmas lehet. Verseny van!

## Follow-up

### Impact

A Follow-up egy menüpontban 3 almenü tartalmazza a részleteket  
A bírált során ez a menüpont 30 pontos rész!

What is the expected impact on the participants, participating organisations, target groups and other relevant stakeholders?

## Dissemination and Use of Project's Results

You are requested to make plans for the dissemination of your project results. Please provide answers to the questions below.

What will be the target groups of your dissemination activities inside and outside your partnership?

Please define in particular your target audience(s) at local/regional/national/EU level and motivate your choice.

0/5000

Which activities will you carry out in order to share the results of your project beyond your partnership?

0/5000

Who will be responsible for the dissemination activities within your partnership and which specific expertise do they have in this area? What resources will you make available to allow for the proper implementation of your dissemination plans?

0/5000

Erasmus+ has an open access requirement for all materials developed through its projects. If your project is producing intellectual outputs/tangible deliverables, please describe how you intend to ensure free access for the public to a digital form of this material. If you intend to put any limitation on the use of the open licence, please specify the reasons, extent and nature of this limitation.

0/5000

How will you ensure that the project's results will remain available and will be used by others?

0/5000

If relevant, please provide any other information you consider appropriate to give a full understanding of your dissemination plan and its expected impact (e.g. how you have identified which results are most relevant to disseminate; how you will ensure the involvement of all partners; how you see synergies with other stakeholders, etc.)

0/5000

## Sustainability

What are the activities and results that will be maintained after the end of the EU funding, and how will you ensure the resources needed to sustain them?

## Project Summary

Please provide a short summary of your project. Please recall that this section (or part of it) may be used by the European Commission, Executive Agency or National Agencies in their publications. It will also feed the Erasmus+ Project Results Platform.

Be concise and clear and mention at least the following elements: context/background of project; objectives of your project; number and profile of participants; description of activities; methodology to be used in carrying out the project; a short description of the results and impact envisaged and finally the potential longer term benefits. The summary will be publicly available in case your project is awarded.

In view of further publication on the Erasmus+ Project Results Platform, please also be aware that a comprehensive public summary of project results will be requested at report stage(s). Final payment provisions in the contract will be linked to the availability of such summary.

Az utolsó kitöltendő menüpont a projekt összefoglalója.  
Korábban a pályázati űrlap elején volt, most a végére került (ahogyan ajánlani szoktuk): mikor minden kész, akkor írjanak egy olyan összefoglalót, ami a részleteket átfogóan tartalmazza,  
Olyan szöveget vár a Bizottság, amit projektismertetőként is lehet használni!  
Rövid, lényegre törő, fontos indoklásra várt eredmények- haszon, közreműködők bemutatása, hatás, fenntarthatóság szempontjai is szerepeljenek benne!

## Checklist

Before submitting your application form to the National Agency, please make sure that:

- It fulfils the eligibility criteria listed in the Programme Guide.
- All relevant fields in the application form have been completed.
- You have chosen the correct National Agency of the country in which your organisation is established. Currently selected NA is: HU01 Tempus Public Foundation

Please also keep in mind the following:

A lap jelölőmezői kötelezően kitöltendő!  
Jelölés nélkül nem tudják benyújtani az űrlapot!

Mandates of each partner to the applicant, signed by both parties, should be submitted as an annex to the application form. If the application is approved for funding, signed mandates will be considered as a condition for signature of the grant agreement.

The documents proving the legal status of the applicant must be uploaded in the participants' portal (for more details, see Part C of the Programme Guide - 'Information for applicants').

## Data Protection Notice

### PROTECTION OF PERSONAL DATA

The application form will be processed electronically. All personal data (such as names, addresses, CVs, etc.) will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the EU institutions and bodies and on the free movement of such data. Any personal data requested will only be used for the intended purpose, i.e. the processing of your application in accordance with the specifications of the call for proposals, the management of the administrative and financial aspects of the project if eligible and the dissemination of results through appropriate Erasmus+ IT tools. For the latter, as regards the details of the projects' contact persons, an unambiguous consent will be requested.

For the full description of the collected personal data, the purpose of the collection and the description of the processing, please refer to the Specific Privacy Statement (see link below) associated with this form. Csak akkor tudják benyújtani a pályázatukat, ha minden elem teljesen kitöltött.

A határidő előtt benyújtott pályázatokat újbóli megnyitás után tudják szerkeszteni: javítani, kiegészíteni és újra benyújtani.

Az utolsó benyújtott verzió lesz az érvényes, ezért ne feledkezzenek meg

- a kötelező melléletek újbóli nyomtatására (változik a pályázat azonosítója!)
- és az összes fontosnak ítélt melléklettel együtt ÚJRA csatolni!

A benyújtásról visszaigazoló üzenetet kapnak.

Többszöri benyújtás esetén ezen a lapontudják megnézni a részleteket!

Ha nem sikerül benyújtaniuk a hibátlanul és teljesen kitöltött pályázatot,

- akkor a hibaüzenetről készítsenek képernyőképet, amit segítségkérésnél mellékeljenek,
- és írják meg a pályázat számát!
